**MAYOR – MAIRE**  
GARY MCNAMARA

February 2010

To all participants, supporters, spectators and organizers of the

### ***8<sup>th</sup> Annual International Dragon Boats for the Cure:***

The Council and residents of the Town of Tecumseh are once again delighted to welcome you to our community for a weekend of action, competition, celebration and festivities. The Tecumseh Waterfront Park is now the new home for the Dragon Boat Races and the Dragon View Garden – a soon to be completed spectacular granite memorial for all to enjoy.

Many of us have been touched in some way by breast cancer and celebrate every opportunity to contribute to conquering this dreadful disease. The International Dragon Boats for the Cure have made an enormous contribution to the community and citizens of this region over the past seven years, supporting the purchase of advanced equipment and other improvements for breast cancer prevention and treatment with a value in excess of \$1.5 million.

We are particularly pleased to be hosting this event at Tecumseh's new Waterfront Park. Exciting developments are planned for the park in the near future...stay tuned!

The International Dragon Boat Festival was a fabulous inaugural event at this venue in 2009 which will become a community attraction within the region for a variety of local events in the years ahead.

The Town of Tecumseh is extremely proud to be affiliated with the International Dragon Boats for the Cure and we extend our very best wishes to all participants, organizers, supporters, spectators and families for a wonderful event.

Sincerely,

Gary McNamara, Mayor  
Town of Tecumseh
