Lynn Chappell

Denise Hrastovec C.A.

**Staff:**

*Administrator*

Nancy Gibbons

*Donations*

Christine Garant

*Charitable Registration*

#89049 3562 RR0001

Over the past several years the Dragon Boats For The Cure has become a very successful event in Windsor. What started as an event for the Cancer Centre Foundation has become an event for the health care community of Windsor & Essex County.

The Cancer Centre Foundation benefits from this event in support of the Image Enhancement Room, Chemo Chairs and Seeds4Hope Research.

We have been very lucky to be a part of this event, our Image Enhancement Room provides patients with wigs, cosmetics, hats, scarves and look good programs. This room has been completely funded by Dragon Boats.

Beth, Gerry and the many volunteers it takes to run this event deserve a very heartfelt thank you, because of them there is no cost to our patients for any item in this room.

Because this event is so big, the opportunity to have our name attached to it also gives us a chance to market the Cancer Centre Foundation to the community.

Every year the people of this community look forward to this great event.

Nancy Gibbons  
Administrator
